

Conflict of Interest Certification

Objective:

The intent of this disclosure is NOT to prevent an aspirant supplier from making an application, but rather to provide the decision making authorities with information on which TPWODL can make its own judgments and ensure that dealing with such parties is done fairly and transparently by ensuring that people / parties in conflict of interest are not involved in the transactions / decision making process.

While requesting a registration, a supplier MUST disclose any actual or potential conflict of interest by giving the details of the person/s within the supplier's company (whether a director or an employee) who may be in actual or potential conflict of interest.
